The screenshot displays the IBM Cloud Dashboard in a web browser. The browser's address bar shows 'cloud.ibm.com'. The dashboard header includes a search bar, navigation links for 'Catalog' and 'Manage', and the user's name 'BHUVANESHWARI SRI...'. The main content area is titled 'Dashboard' and features a 'Create resource' button. Below this, a 'For you' section offers several guided tutorials: 'Build' (10 min), 'Set up your IBM Cloud account' (10 min), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build a Virtual Private Cloud (VPC)' (7 min), and 'Create an OpenShift cluster' (20 min). At the bottom, there are four panels: 'News' with articles on IBM Storage and Key Orchestrator, 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status'.
